

JACK VIANA

Software Engineer | Full stack Engineer | Web Developer
Boston, MA | (781)-333-7223 | jack.viana2019@gmail.com | [GitHub](#) | [LinkedIn](#)

As a software engineer with a deep skillset in coding and launching web-pages and applications, I am a social team player with leadership skills and a proven track record of collaboration. I am seeking to join a tech company where I can apply my skills daily and make a meaningful impact on their software engineering team.

Skills

- Languages: JavaScript, Python, HTML, CSS
- Frameworks: React, Express, Django
- Databases: Postgres, SQL, RESTful APIs
- Developer Tools: Node.js, Git, Github, Visual Studio Code, Postico 2, Insomnia
